VERSA 24 MOBILE TRAILER STAGE

ALL ACCESS is proud to offer the most durable and advanced light-duty mobile trailer stage on the market. With the Versa 24 mobile trailer stage, you can have a turnkey performance stage system set up in just hours. Because of its unique design, the stage can be towed by a standard pickup truck, providing easy accessibility to event sites.

FEATURES

- Optional lighting package is available.
- Setup time is typically 3+ hours; strike is 2-3 hours.
- Uses independent decks and framing that builds out so that stage depth is adjustable to clients' needs.
- Because of the adjustability, this system can be used as a tiered audience seating riser.
