

# VERSA STAGE

# VERSACADE

- Contours to any shape
- Sets up in minutes
- Indoor or outdoor
- User friendly

Considered to be the most superior portable crowd control in the world, the Versacade form-fits to any stage contour and assembles in minutes. The perforated fascia allows for full sound transmission, while a safety step allows security to have superior crowd control.

**TOUR READY PACK**

- Heavy duty steel construction
- Mesh face for audio
- Fast setup
- Security step
